## **TAKE DOWN POLICY**

If the administrators of Newcastle University Theses Repository are notified of a potential breach of copyright, or receive a complaint indicating a violation of publishers' rules or other relevant concern, the item involved will be removed from the repository as quickly as possible pending further investigation.

Where the grounds for complaint are considered plausible, the material will be permanently withdrawn from the repository. (N.B. This may take some time if it is necessary for Newcastle University to seek legal advice to resolve the complaint.)

## **DEPOSIT LICENCE**

**The following licence has been signed by the thesis author:**

### **COVERED WORK**

I would like to deposit a print copy of my thesis in Newcastle University library, and an electronic version in the Newcastle University e-Thesis Repository. Research referred to below as "Work" is covered by this agreement and when I deposit my Work, whether personally or through an assistant or other agent, I agree to the following:

### **NON-EXCLUSIVE RIGHTS**

Rights granted to Newcastle University e-Thesis Repository through this agreement are entirely non-exclusive. I am free to publish the Work in its present version or future versions elsewhere. I agree that the repository administrators may, without changing content, translate the Work to any medium or format for the purpose of future preservation and accessibility.

### **DEPOSIT IN NEWCASTLE UNIVERSITY THESIS REPOSITORY**

I understand that work deposited in Newcastle University e-Thesis Repository will be accessible to a wide variety of people and institutions – including automated agents - via the Internet. An electronic copy of my thesis may also be included in the national British Library database of theses.

I understand that once the Work is deposited, metadata for the work will always remain visible, although the author retains the right to update the Work. Removal of the item can be made after discussion with the service administrators. The deposited print version shall not be permitted to leave the Library or a Library to which it has been issued on inter-library loan.

### **I AGREE AS FOLLOWS:**

- That I am the author or have the authority of the author to make this agreement and to hereby give Newcastle University Thesis Repository administrators the right to make available the Work in the way described above.
- That the electronic version of the Work is the same as the final, approved print version, including all corrections.
- That I have exercised reasonable care to ensure that the Work is original, and does not to the best of my knowledge break any UK law or infringe any third party's copyright or other Intellectual Property Right.
- The administrators of Newcastle University Thesis Repository do not hold any obligation to take legal action on behalf of the Depositor, or other rights holders, in the event of breach of intellectual property rights, or any other right, in the material deposited.
